

CLC Teachers “Let’s Talk”

We have the most amazing teachers here at the Creative Learning Center. Several of our teachers have completed the National CDA (Child Development Association) Credentials, have completed a college degree or are working on in the child care related field. Each teacher is required a minimum of 15 hours of additional training in child development. All of our teachers are excited to love and nurture your child throughout their day.

Join Our Team!

If you are **enthusiastic** about working with children, and have a joyful, kind and loving spirit, we would **LOVE** to meet you. Please call us to come by and pick up an application.

Our Future is Bright

We are excited about what the future holds for your child here at **NORTHoxford Creative Learning Center**. We will provide a safe and loving environment that teaches in all domain.

Creative Learning Center
NORTHoxford Baptist Church
304 Co Rd 101
Oxford, MS 38655
662-234-9730
Cynthia Warren

Tuition is paid monthly and varies by age.

We offer a nutritious morning snack, lunch and an afternoon snack for each child, which follows the Department of Health Guidelines.

 **NORTHoxford**
Creative Learning Center

Our Philosophy

Children learn best through play in a safe, nurturing environment that encourages hand-on experiences. Our program encourages and promotes positive development and learning by providing opportunities for discovery, imaginative free play, observation, positive peer and adult interaction.

The play environment encourages appropriate and positive development across a wide range of domains while building self-confidence, independence, and self-discipline.

Our Curriculum

Age-specific daily lesson plans and Bible lesson are developed using the WEE Learning Curriculum published by LifeWay Christian Resources and other age appropriate curriculum. The curriculum will be supported by hands-on activities in the following center:

- Fine Motor
- Art
- Music and Movement
- Blocks
- Sand and Water
- Dramatic Play
- Nature and Science
- Math and Numbers
- Large Motor

The curriculum's unit themes will be enhanced by the use of children's books. Teachers will read daily to the children and variety of books will be available to the children. Our curriculum is designed to meet the MISSISSIPPI EARLY LEARNING GUIDELINES.

“I am Fearfully and Wonderfully Made”

Psalm 139:14

Our Purpose

We know every child is fearfully and wonderfully made, and is a priceless Masterpiece designed by God. Our purpose is to help each child reach his or her full potential by recognizing the child as a unique, special creation of God. We hope to design and implement a high-quality early childhood program of activities and experiences that will develop each child mentally, physically, spiritually, socially, and emotionally.

Our Mission

Our mission is to support the family by extending the ministry of North Oxford Baptist Church by providing a biblically based, age appropriate weekday education for infants, pre-school, and school age children. We will love, nurture and teach each child by God's example. Our words will encourage, our actions will be gentle, and our hearts will love unconditionally.
