

Tasha Pegues

Hello, my name is Tasha Pegues. I am 32 years old and I have worked for CLC since 2009. I have one daughter who is in the 5th grade. When I am not at work I like to read mystery novels.

I love working with babies; they always amaze me when they start meeting all their developmental milestones. My babies are very smart; I know this because many of them surpass all of our expectations

I love my job because it teaches me more about myself and my personal growth. I would say the most challenging thing about working with babies is starting over with a new group every year; learning their new personalities. But the challenges in my job help me grow as a person. The hardest part of my job is getting so attached to the babies. My advice to a new teacher is to always “be your best you.”

My favorite bible verse is “Blessed are the peacemakers, for they will be called the children of God.” Matthew 5: 9

Get to know me
